

SOURCE

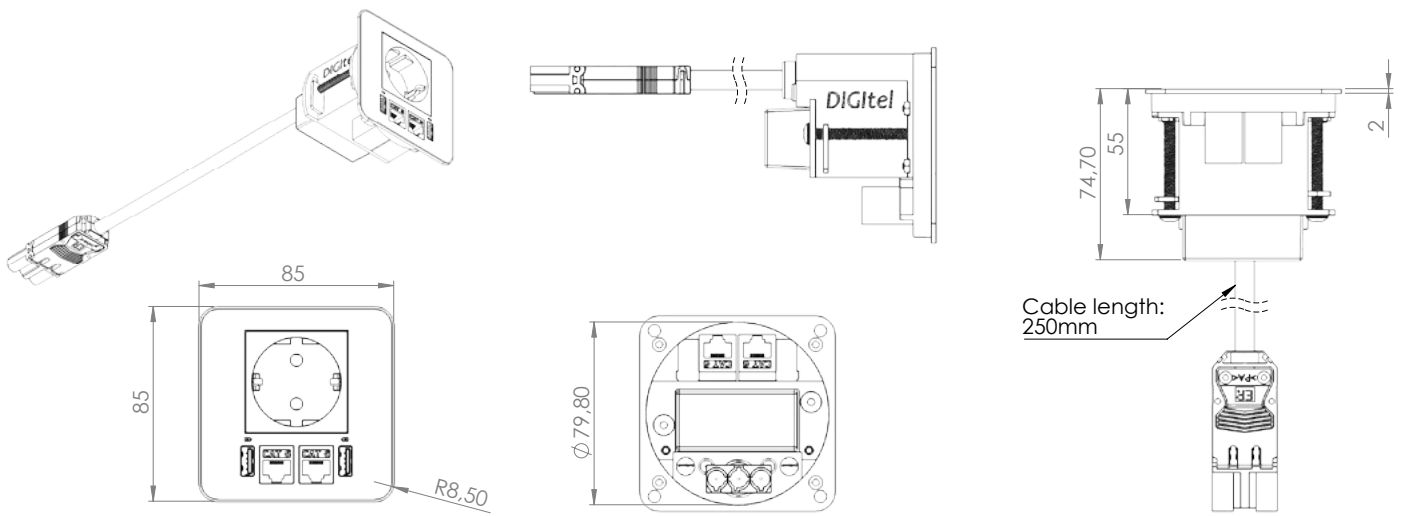

just plug

DIGITel

Within easy reach

Elegant and above all practical, Source is a small oasis on the work table with all the necessary sockets for a work place. At the same time it uses minimum space on the work surface. Largest number of sockets on smallest surface also perfectly serves the needs of students in schools and universities. It is available in black and white colour and thanks to the stainless steel finish and the possibility to add a cover lid which opens to 181 degrees, the Source fits stylish into the kitchen environment as well. Source is a unique and easily recognizable product.

POWER CHARACTERISTICS:

Voltage: 250V
